### Press release - Regulated information - Inside information

La Hulpe (Belgium), 21 January 2021 — Today, Unifiedpost Group SA/NV (the **Company**) announces on behalf of a group of existing shareholders (the **"Selling Shareholders"**) that the sale of existing shares in the Company that was launched earlier today (the **"Private Placement"**) has successfully been completed. A total of 2,623,864 existing shares, corresponding to approximately 8.5% of the Company's share capital, were placed at a price of €21.0 per share. The Company will not receive any proceeds from the Private Placement.

The Selling Shareholders comprise Smartfin Capital NV (**"Smartfin"**), DVP Invest BV (**"DVP Invest"**) and 25 individual shareholders who belong to the overall group of approximately 80 shareholders in the Company that had already been shareholders of Unifiedpost Group ahead of the time of its initial listing in September 2020 (the **"Other Shareholders"**). In the context of the initial listing, (i) Smartfin and DVP Invest agreed to a lock-up undertaking towards the Company and the syndicate for a period of 180 days following the closing of the initial listing, as set forth in section 13.8.2 and 13.8.3 of the listing prospectus of the Company published on 18 September 2020 (the **"Prospectus"**), and (ii) the Other Shareholders agreed to a staggered lock-up undertaking towards the Company and the syndicate for a period of 180 days following closing of the initial listing, as set forth in section 13.8.4 of the Prospectus (the **"Other Shareholders"**).

Smartfin sold its entire stake of 1,403,580 existing shares (clean-up trade). DVP Invest sold 776,808 existing shares, corresponding to approximately 65.3% of its shareholding in the Company. The Other Shareholders sold in total 443,476 existing shares.

The lock-up restrictions for Smartfin and DVP Invest set forth in sections 13.8.2 and 13.8.3 of the Prospectus had been waived for the number of shares sold by them. As a result of its investment mandate not to hold stakes in listed companies and the completion of the Private Placement, Smartfin will no longer be a shareholder of the Company. Founding partner of Smartfin, Jürgen Ingels, remains a member of Unifiedpost Group's board of directors. The remaining shares in the Company held by DVP Invest continue to be bound by the lock-up restrictions set forth in section 13.8.3 of the Prospectus for the remainder of the 180 days lock-up period following closing of the initial listing. In addition, DVP Invest has agreed to a follow-on lock-up of further 180 days after the expiry of the initial lock-up period.

The sale of the existing shares held by the Other Shareholders took place in accordance with the coordinated sale provisions agreed in connection with the Company's initial listing. The terms and conditions of the lock-up undertaking and the exemptions from the lock-up restrictions are set forth in section 13.8.4 of the Prospectus. Any further shares held by the Other Shareholders continue to be bound by the lock-up restrictions (and benefit from the exemptions) for the remainder of the 180 days lock-up period, unless sold in any of the subsequent disposal periods.

Settlement of the placed existing shares is expected to take place on 26 January 2021.

In connection with the Private Placement, trading in the Company's shares on the regulated market of Euronext Brussels has been suspended since this morning and will resume after the publication of this press release.

Berenberg acted as Sole Global Coordinator and Bookrunner in connection with the Private Placement.

The Target Market Assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the proposed Private Placement. Furthermore, it is noted that, notwithstanding the Target Market Assessment, the Sole Bookrunner will only procure investors who meet the criteria of professional clients and eligible counterparties.

For the avoidance of doubt, the Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of MiFID II; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the Sale Shares.
